

# JOIN US TO HEAR PROFESSOR ALEAN AL-KRENAWI ON: *A Psychological Look into Jewish and Arab Relationships*

President of Achva Academic College and Professor of Social Work at Ben Gurion University of the Negev, Israel, and the first Bedouin Arab to be appointed head of an academic institution in Israel.

Prof. Al-Krenawi's research includes mental health, political violence and social work with indigenous populations in Israel, Canada, the Palestinian Authority, and other Arab countries. Among his publications are books on Ethno-Psychiatry among Bedouin Arabs in Israel, and the psychological effects of political violence.

Prof. Al-Krenawi is currently working on a book dealing with polygamy and mental health in the Middle East.
